Earn Money for Davidson Academy by Searching the Internet

An internet search engine called GoodSearch.com donates 50% of their advertising revenue to charitable organizations. The site is powered by Yahoo!, so you'll get the same quality search results that you're used to. What's unique is that they have developed a way to direct money to your charity or school with every click.

The company was founded by a brother and sister team who lost their mom to cancer and wanted to find an easy way for people to support their favorite causes.

It's simple. You use GoodSearch.com like any other search engine, but each time you do, money is generated for your favorite cause.

The Elephant Sanctuary has already earned more than \$1400 just by using GoodSearch!

The Bubel Aiken Foundation has earned nearly \$700 just by using GoodSearch!

Next time you need to search the internet, go to www.GoodSearch.com and enter Davidson Academy as the charity you want to support. The more people who use this site, the more money will go to our school. Spread the word to your friends and family, too!

September 15th is the last day to submit **DAA Membership forms**.

BEAR SCRIP FORMS are due each week by Wednesday. Cards can be purchased daily in the Lower School office. The Scrip Order form is on the Website.

If you would be interested in **volunteering** one day a week to an assigned teacher in the Lower School, please call Angie Cook at 477-2496 or email her at stevecook341@comcast.net with the day and hours you are available.
