"Facing the Giants" is an Amazing Movie

A new moving opened this past weekend that could have an incredible impact on faculty, students, their families, and the spiritual life of our school. **FACING THE GIANTS** opened in 400 theatres in 85 cities across the country on September 29th, and it is unlike any other Hollywood release this year. The setting of the story is a Christian school! The 2006 Leadership Academy had a chance to preview this movie.

This amazing movie was produced by Sherwood Baptist Church in Albany, Georgia, which is also home to a thriving ACSI-member school, Sherwood Christian Academy. The football players in the movie, as well as many of the backstage crew, are either students or graduates of Sherwood Academy. This is a delightful educational experience and a quality film with a strong Biblical message. To get more information about the movie, go to www.facingthegiants.com/newsletter/acsi/. To check for theatres in which the movie is showing, go to www.facingthegiants.com/theatres/.

Why Belief Matters

"Our church young people are adopting distorted beliefs about God, Christ and his Word. And these distorted beliefs are directly attributing to our kids making wrong moral choices."

Discover how to correct your young people's distorted beliefs. Raise up a generation of transformed followers of Christ who know why they believe what they believe.
