DA Bears in State Football Championship Again!

The Bears defeated Southern Baptist Education Center Friday night in the play-off game with a score of 16-6. That win entitles the Bears to defend their state football title in Murfreesboro at MTSU this coming Saturday, November 18, at 12:00 noon. We need to be there in great numbers to support our team!

Please make your plans now to be a part of this historic event. Purchase your tickets to the games (all three championship games for one admission) in either school office (\$10.00). Ride the special pep bus, leaving DA at 10:15 a.m. (no charge; first 50 may ride.)

Two Named Finalists in Mr. Football Award

Seniors **Eric Davis** and **Josh Williams** were nominated as finalists in the Division II A-AA Mr. Football Award. Eric is the son of Woodie and Yvette Davis. Josh is the son of Michael and Rosita Williams. Congratulations!

Morning Drop-Off Reminder

Please do not park along the curb if you need to come into the building and/or if you need to spend more than two minutes discussing something with your child. Many of our parents need to get to work, so please be respectful of their time. You may park along the median or in one of the parking spaces. Also, please do not drop children off in the middle of the driveway. Drop off next to the curb. This applies to both entrances (front and back doors) of the Lower School.

Thank you for your help.
Clif Johnson, Assistant Head of Lower School

Annual Thanksgiving Lunch Set for Tuesday, November 21st

Parents, grandparents, and guests are invited to accompany their child(ren) for lunch on Tuesday, November 21, 2006, in the Odom Gymnasium. The menu features turkey, cornbread dressing, cranberry sauce, green beans, sweet potatoes, roll, dessert, and drink. The costs will be \$5.00 per adult and \$3.00 per child.

(Cash or check only for guests and students.)

Cashiers will be at the entrance.

Change in Lunch Program

There has been some confusion with the payments of the lunch program. Therefore, the lunch program will no longer be on the declining balance method. All charges made during each month will simply be charged to your school account.

As of the end of the day on Friday, November 3rd, 2006, all unused monies on your lunch program account will be credited to your school account. If you have a negative balance, this amount will be charged to your school account.

Beginning Tuesday, November 7th, 2006, all accumulated lunch charges for the month will be charged to your school account. This method will be used throughout the remainder of the school year. Therefore, lunch charges will be included on your monthly statement.

Snow Day Procedures

If Davidson Academy deems it appropriate to dismiss early, the announcement will be immediately placed on the school Web site (www.davidsonacademy.com), and an email message will be sent immediately to all families who have supplied the school with an email address.

(Extended Day remains open until all students have been picked up.) Students who drive cars to school will be dismissed at the time the general announcement is made to the student body that school will be dismissed early. Parents should always use their own discretion regarding when and whether to pick up their students at school.

If Davidson Academy is to be closed on any full day, or is to re-open after a period of being closed, local television stations are notified of this decision immediately. Of course, the fastest way to obtain current information is to call the main school number, 860-5300, or log on to www.davidsonacademy.com. The school closing or opening announcement will be the first announcement you hear or see on the Web site. Snow Care is provided on days when school is closed for those students who have pre-registered. A hot lunch is included in the daily fee. If you are interested in Snow Care, call the Extended Day Office (860-5310).
