

All Proceeds benefit:

and our Mission in:

Preparing Students for College, Life, and Eternity.

Preparing Students for College, Life, and Eternity.

Thirty years ago, Davidson Academy, a private Christian school in Nashville, TN, was created to help encourage and challenge students in preparing for "college, life, and eternity." An interdenominational, college-preparatory school serving students age 3 (Mother's Day Out as well as full-time program) through 12th grade,

Davidson Academy maintains a distinctly Christian environment free of denominational bias, an atmosphere which is ripe for learning and growing into all that God has called each student and faculty/staff member to be. In addition to rigorous academics, students have opportunities to participate in athletics, arts programs, mission trips, and service activities, challenging their minds, bodies and their spirits in using their talents and gifts to the glory of God.
